REPLY

Commissioner for Patents  
P.O. Box 1450  
Alexandria, VA 22313-1450

October 14, 2003

Sir:

In response to the Restriction Requirement dated September 11, 2003, Applicants elect to prosecute the species defined by the Examiner as the species wherein the grooves are formed during molding, including claims 1-14 and 18. This election is made without traverse.

Further, please amend the application as follows:

10/17/2003 HVUONG1 00000087 09934651
